

Mathematics and Statistics

Abstract Algebra

Abstract Algebra (32 eBooks)

Commutative Algebra (19 eBooks)

Fields & Galois Theory (13 eBooks)

Group Theory (42 eBooks)

Introductory (18 eBooks)

Order, Lattices, Representation Theory (14 eBooks)

Algebra and Trigonometry

College Algebra

Introductory Algebra

A First Course in Linear Algebra

Understanding Algebra

Linear Algebra

Trigonometry

Advanced Algebra II: Conceptual Explanations

Basics of Algebra and Analysis for Computer Science

Intermediate Algebra Student Workbook

Fundamentals of Matrix Algebra

Ideas in Geometry/Analytic Geometry

Elementary Calculus: An Infinitesimal Approach. (Rev. ed.)

Linear Algebra, Theory and Applications

A First Course in Linear Algebra

Elementary Algebra

Intermediate Algebra

Linear Algebra

College Algebra

College Trigonometry

Linear Algebra

Abstract Algebra: Theory and Applications

Introduction to Matrix Algebra: Transforming Matrix Algebra for the STEM Undergraduate

Prealgebra

Linear Algebra: Theorems and Applications

Analysis & Calculus

Calculus (97 eBooks)

Calculus of Variations (6 eBooks)

Complex Analysis (46 eBooks)

Differential Equations (91 eBooks)

Functional Analysis (37 eBooks)

Harmonic Analysis (21 eBooks)

Numerical Analysis (45 eBooks)

Real Analysis (42 eBooks)

Tensor Calculus (13 eBooks)

Vector Analysis (15 eBooks)

Precalculus

Active Calculus

Brief Calculus

Vector Calculus

Calculus for the Life Sciences

Calculus

wxMaxima for Calculus I

wxMaxima for Calculus II

Apex Calculus

A ProblemText in Advanced Calculus

MOOCULUS: Calculus

Precalculus

Calculus

Calculus. (vol. 1)

Calculus. (vol. 2)

Calculus. (vol. 3)

Precalculus: An Investigation of Functions. (v. 1.5)

Combinatorics Through Guided Discovery

Tea Time Numerical Analysis: Experiences in Mathematics

Basic Math Textbook for the Community College

Fundamentals of Mathematics

Applied Discrete Structures

OpenIntro Statistics

Think Bayes: Bayesian Statistics Made Simple

Think Stats: Probability and Statistics for Programmers

Think Complexity. (v. 2.0.10)

Applied

Computer Mathematics (25 eBooks)

Dynamical Systems Theory (46 eBooks)

Optimization (23 eBooks)

Category books theory (37 eBooks)

Computer books Mathematics (25 eBooks)

Dynamical books Systems theory (46 eBooks)

Optimization (23 eBooks)

Discrete Mathematics (24 eBooks)

Discrete Mathematics (24 eBooks)

Combinatorics (18 eBooks)

Graph Theory (20 eBooks)

A Spiral Workbook for Discrete Mathematics

Discrete Mathematics: An Open Introduction

Math in Society

Proofs and Concepts: The Fundamental of Abstract Mathematics. (v. 0.91)

Fourier Transforms: Approach to Scientific Principles

Fourier Transforms: New Analytical Approaches and FTIR Strategies

How We Got from There to Here: A Story of Real Analysis. Retrieved from

Introduction to the Modeling and Analysis of Complex Systems

Applied Finite Mathematics

A Computational Introduction to Number Theory and Algebra

An Introduction to Matlab and Mathcad

Elementary Differential Equations with Boundary Value Problems

Molecular Dynamics: Theoretical Developments and Applications in Nanotechnology and Energy

Elementary Algebra & Trigonometry

Algebra (37 eBooks)

Trigonometry (20 eBooks)

Geometry & Topology

Geometry & Topology (24 eBooks)

Algebraic Geometry (61 eBooks)

Analytic Geometry (12 eBooks)

Differential Geometry (40 eBooks)

Complex Differential Geometry (12 eBooks)

Introductory (18 eBooks)

Lie Groups (19 eBooks)

Riemannian Geometry (18 eBooks)

Symplectic & Contact Geometry (11 eBooks)

Elementary Geometry (11 eBooks)

Navrachana University,Vadodara

NUV Library NavGyan: An Open Knowledge Gateway

Euclidean Geometry (35 eBooks)

Non-Euclidean Geometries (10 eBooks)

Noncommutative Geometry (10 eBooks)

Topology (13 eBooks)

Algebraic (40 eBooks)

Differential (18 eBooks)

Complex Differential Geometry (12 eBooks)

Introductory (18 eBooks)

Lie Groups (19 eBooks)
